

**INSTANT ROAD REPAIR
NOW USED SUCCESSFULLY
IN OVER 40 COUNTRIES**

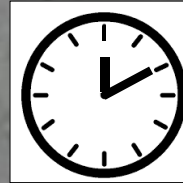

**INSTANT ROAD REPAIR
GUARANTEES ONCE-ONLY,
PERMANENT RESULTS**

THE WORLD'S LEADING POTHOLE REPAIR SOLUTION DELIVERS UNBEATABLE BENEFITS WITH 3 OR 5-YEAR TURNKEY "SUPPLY & APPLY" CONTRACTS

The price is fixed for the entire contract period
Your road maintenance budget remains set for up to 5 years !

Ultra-fast repairs
An average repair takes only 10 minutes—no road closures—cures immediately—less traffic disruption.

Once-only repairs cut costs
Why pay repeatedly for inferior repairs ?

Eco-friendly
At a time when climate concern is paramount, Quikfix is entirely kind to the environment.

We employ and train 100% local youth
A local company providing careers for local people.

Advanced technology
A British cold-lay invention which repairs both asphalt and concrete surfaces permanently.

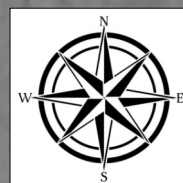

All repairs GUARANTEED for 5 years
Should a repair ever fail we fix it for free.

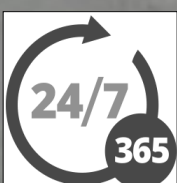

21st Century equipment
State-of-the-art equipment delivers a complete highway maintenance service.

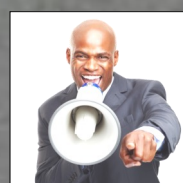

Apply in all weather
Repairs need not stop for rain or temperatures from -45°C to $+60^{\circ}\text{C}$.

Nationwide & Emergency service
We repair cities, states, regions, countries—wherever you need us.

Apply all year
Repairs can be carried out all day, every day and even at night when traffic is lighter.

PR & Marketing support
Potholes are a source of public concern—we can help you spread the good news !
